

Instructions and Notes:

1) **Overview of QHP Landscape files**

This website contains plan information for New Mexico, a State-based Marketplace state that is using the federal application system for the individual market:

- Medical plans in the individual market
- Dental plans in the individual market

2) **Identifying plans based on geography and plan criteria**

To browse for a plan by specific data fields, click on the icon at the top of the column for a specific field of interest such as state, county, or metal level. For example, to select a specific county of interest, select the county name from the drop-down menu in the second column and click "OK" when done. The file will filter the data and show plan information only for the selected county. Multiple data fields may be selected for filtering and browsing at one time.

3) **Premium Information**

Premium amounts do not include tax credits that will lower premiums for many consumers applying for insurance, specifically those with income up to 400 percent of the federal poverty level.

The document shows premiums for the following example rating scenarios:

- Child = one child any age
- Adult Individual Age 21, 27, 30, 40, 50, and 60 = one adult age 21, 27, 30, 40, 50, or 60
- Couple 21, 30, 40, 50, and 60 = two adults age 21, 30, 40, 50, or 60, no children
- Couple + 1 child, Age 21, 30, 40, 50 = two adults age 21, 30, 40, or 50, and one child
- Couple + 2 children, Age 21, 30, 40, 50 = two adults age 21, 30, 40, or 50, and two children

Note on Child Only Offering Status: Child-only plans (labeled as "Allows Child-Only") will only show premiums for the Premium Child column. Plans that prohibit child-only coverage (labeled as "Allows Adult-Only") will not show premiums for the Premium Child column.

Note on Children: The rating scenarios are limited to dependent children in the immediate family under the age of 21. Plans may vary in the rating of other child dependencies such as nephews, nieces, grandchild or ward.

Note on Catastrophic Plans: For catastrophic plans only, individuals over age 29 generally may not enroll. However, individuals over 29 with an effective hardship exemption that was granted by the Marketplace are eligible to enroll in a catastrophic plan.
